Subject: Don Boesl Retirement

Klein Steel announces the retirement of our Buffalo Steel Outside Sales Representative, Don Boesl. Don will retire on 1 May 2009.

Don has been a valued member of the Klein Steel team for the past seven years and has done a tremendous job in growing the Buffalo Steel customer base. He brought considerable steel experience to Klein Steel, including 34 years in steel sales. He has worked hard his entire career and has earned the opportunity to enjoy more time with his family and grandchildren.

Please join me in wishing Don all the best in his retirement. The company will sponsor a retirement luncheon for Don in the near future—details will follow soon. Please take the time to wish Don and his family the very best.
